**Custom Case Solutions.**

ATS manufactures Medical Equipment Cases for a wide range of medical products. Medical Diagnostic Devices, Medical Instruments, Endoscopes, Mobile Blood Collection Devices, Laser Treatment Equipment, Portable Oxygen Concentrators, Video Monitors, and Medical Procedure Carts - ATS Cases designs and manufactures carrying cases and shipping cases to safely transport these products - and much more.

**It's Quick and Easy.** All you need to do is tell us what you're transporting, and how (hand carry, common carrier or both ). Our designers will work with you to engineer and build the most durable and practical custom shipping case case for your specific use.

**Flexible OEM Programs.** We provide several leading medical equipment manufacturers with just in time delivery programs that help manage their inventory and provide timely deliveries.

**Case Options.** We offer an unsurpassed selection of materials, case styles and custom options which allows ATS to deliver cases with a "perfect fit" for both your product and your budget.
